Aamin Organization is a Not-for-Profit Organization in Somalia established in 2006. AAMIN is engaged in life-saving activities and on improving the livelihoods of Somalia communities through implementation of the following programs; Food Security, Health, Education, Water, Sanitation and Hygiene (WaSH), Youth-Empowerment Programs and Provision of free Ambulance services to the communities in Somalia. AAMIN Organization has received financing from Somali Humanitarian Funds (SHF) to implement a health project *“Provision of lifesaving primary health care services through fixed health facilities and outreach activities in Kahda”* In that regard, AAMIN wishes to Hire 3 qualified EPI nurses on a contract basis for a period of 12 months.

**Ref: AO/014/2023/HEALTH/KADHA/SHF 25075**

Position title : **EPI Nurse (3 Positions)**

Reporting to : **Nurse in charge**

Location : **Kahda**

Duration : **12 months**

**Position Summary:**

The EPI nurse is expected to provide a high standard of promoting optimum health and preventive health care, thereby contributing to a safe, efficient and effective service to patients.

**Priority Task and Responsibilities:**

- Conduct static vaccination sessions in the primary health care facility as scheduled and holding outreach activities in the community.
- Administer vaccines correctly in accordance with guidelines, while maintaining strict aseptic techniques.
- Report and record measles cases and conduct immunization, mopping up and/or any other supplemental immunization activities/campaigns.

- Liaise closely with health workers within the facility, health promoters, CHWs and other staff in order to avoid missed opportunities (including screening of cards) for immunization of children to be followed up through list and defaulter tracing. Also coordinates for proper birth recording/reporting and growth monitoring activities in the facilities with the teams.
- Maintains accurate EPI records including daily and permanent registers (prepare and update lists on a monthly basis).
- Provides counseling to the care givers on the preventative and curative health aspects of the vaccines, vaccination schedules, when to return for the other shot of vaccine etc.
- Prepares monthly statistical report, vaccine consumption/wastage rates and submits in timely manner.
- Ensures that used syringes, needles and all vaccinations vials/ampoules are stored and disposed off per protocols.
- Participates in meeting with community representatives, volunteers and to discuss EPI activities such as defaulters, EPI campaigns etc.
- Co-ordinate with health promoters on regular basis for defaulter tracing and participate in health education session.

#### **Education Qualification & Experience**

- Bachelor degree in Nursing, Public Health Nurse or relevant field

#### **Relevant Experience**

- 2-5 years of progressive experience in management of immunization
- Experience working in Somalia
- Management of Immunization/Cold-chain

#### **Competencies – knowledge, skills, abilities**

- Excellent command in Somalia and English
- Excellent communication, interpersonal and organizational skills
- Ward Management skills
- Basic knowledge and experience in Nutrition
- Proactive, result oriented, independent, able to identify and carry out duties with minimum

#### **Child Safeguarding Policy:**

Aamin Organization is committed to safeguarding the rights of the children and therefore, is expected that every individual who joins Aamin Organization Somalia shall be required to sign a declaration and commitment to protect and keep children always safe in the execution of their duties
