Aamin Organization is a Not for Profit Organization in Somalia established in 2006. AAMIN is engaged in life-saving activities and on improving the livelihoods of Somalia communities through implementation of the following programs; Food Security, Health, Education, Water, Sanitation and Hygiene (WaSH), Youth-Empowerment Programs and Provision of free Ambulance services to the communities in Somalia. AAMIN Organization has received financing from Somali Humanitarian Funds (SHF) to implement a health project *“Provision of lifesaving primary health care services through fixed health facilities and outreach activities in Kahda”* In that regard, AAMIN wishes to Hire 3 qualified nurses on a contract basis for a period of 12 months.

**Ref: AO/005/2023/HEALTH/KAHDA/SHF 25075**

Position title : **Qualified Midwife (3 Positions)**

Reporting to : **Project Manager**

Location : **Kahda, Mogadishu**

Duration : **12 Months**

#### **Position Summary:**

The nurse will provide all nursing care services within the hospital. Specifically, they will provide quality nursing care and support to patients. The care they give will enhance the outcomes for outpatients through education, liaison, case management, co-coordinating the treatment and discharge planning processes.

#### **Main Purpose:**

The main objective of the position is to provide nursing care, administer drugs to patients according to doctor’s prescription, take and record vital measurements such as; blood pressure, temperature, respiration rate, pulse rate, supervise patient feeding, counsel patients and families, assist the qualified nurse during ward rounds, give antenatal care/post-partum care, newborn care, resuscitation of women and newborns and infection prevention & control.

#### **Priority Task and Responsibilities:**

**1) To provide the individualized treatment of patients in the Hospital**

1. Provide effective, safe and timely appropriate care and procedures.
2. Liaise with the Supervisor when there are issues that negatively impact on the provision of timely service.
3. Collect and document information systematically and comprehensively, through assessment, interview, observation and other sources of data.
4. Document and report findings recognizing the need for immediate and ongoing intervention and incorporated in the clinical record.
5. Ensure the patient's legal, privacy and confidentiality rights are known and understood by the patient.
6. Provide care that is evidence based.
7. Ensure emergency cases are given priority in accordance to their medical conditions.
8. Perform any other tasks assigned by the supervisor from time to time

**2) Be accountable for the delivery of clinical skills, in a safe and appropriate manner:**

1. Appropriately initiate, maintain and terminate therapeutic relationships/partnerships.
2. Practice within team settings, accepting responsibility for decisions and activities implemented.
3. Ensure procedural requirements are met in accordance with laid out policies and protocols.
4. Acknowledge, report and document accidents, incidents, errors/omissions promptly.
5. Initiate action to reduce / correct / prevent actual or potential risks to patients and colleagues
6. Practice effective time management, priority setting, co-ordination and communication skills.
7. Ensure that the available equipment and supplies are used safely and economically.
8. Accept referrals and organize the clinic for patients referred to the Medical Procedure clinic according to protocols and standards

**3) Ensure the patients legal, privacy and confidentiality rights are known and understood by the client.**

1. Ensure that all concerns, complaints and issues are brought to the attention of the Doctor in Charge and matron in a timely and effective manner, in accordance with the Hospital policies and procedures.
2. Maintain privacy and confidentiality

**4) Health & Safety**

1. Promote an environment of physical, occupational, cultural, ethical and legal safety
2. Observe safe work practices, rules and instructions relating to work, and be pro-active in hazard management
3. Willingly co-operate in the achievement of all health and safety goals and initiatives by:
4. Practicing and observing; safe work methods, correct use of safety equipment, reporting & documenting all accidents and incidents and reporting unsafe conditions or equipment
5. Perform any other tasks as may be assigned by the supervisor

### **Education Qualification & Experience**

- Bachelor degree in Nursing or equivalent
